

NON-EXECUTIVE DIRECTORS WESTCYCLE INCORPORATED

WestCycle is proud to be the peak body for cycling in Western Australia, representing and promoting the competitive, recreational and transport elements of cycling across all disciplines. We are an incorporated, non-profit organisation with an independent Board of Directors. Our membership base includes other cycling organisations, clubs, and individual members.

As part of our Board succession planning, expressions of interest are sought from suitably experienced persons interested in a directorship at WestCycle. A number of positions will become available in the short to medium term.

Applicants must be resident in Western Australia and demonstrate influence, drive and passion for cycling, as well as a sound understanding of the role and principles of corporate governance and stewardship.

WestCycle's strategic opportunities and challenges in the context of potential board succession have identified the following priority areas where additional skills and experience will be highly regarded:

- Finance and accounting
- Building and managing long term strategic partnerships, sponsorships and relationships (including with Government and other key stakeholders)
- Experience working with National or State sporting organisations (including sports other than cycling)
- Experience with cycling transport, infrastructure and advocacy
- Negotiation and influence with Government and/or business

Other skills and experience that will be considered favourably:

- Director experience / AICD membership / AICD Graduate
- Cycling disciplines:
 - Transport and everyday
 - Mountain Bike (recreation and competitive)
 - Road and Track (competitive)
 - BMX
- High Performance Sport
- Safety / risk management
- Stakeholder engagement / communications
- Business Management / HR / IT / Marketing
